**REQUEST FOR AMENDMENT AFTER PUBLICATION --  
EXTENSION OF TIME TO OPPOSE HAS BEEN GRANTED**

**AMENDMENT**

Please delete the identification of goods in its entirety and substitute the following:

Class 7: portable air compressors and latex sealant sold as a unit for repairing flat tires

**REMARKS**

In the instant application, third party BFS Brands, LLC has filed extensions of time to oppose, which have been granted. Pursuant to T.M.E.P. § 1505.02(c), and in order to settle this potential opposition, Applicant is requesting amendment of the identification of goods in the instant application to the above. Applicant respectfully states that republication is not required since the above amendment is in the nature of a clarification and does not materially alter the identification of goods that was approved for publication. The parties further request that the time to file further Extensions of Time to Oppose be suspended pending approval of the above amendment.

**CONCLUSION**

With the above, Applicant respectfully requests that the instant application be forwarded to the Quality Review Clerk in the Office of Trademark Program control for processing of the amendment.
